A New Era of Government Travel

Software Update Information FY15 Maintenance Release 1

Scheduled for December 2014

** Note: Information and dates provided below are subject to change without notice. Information will be updated as necessary.*

I. GENERAL SOFTWARE UPDATE INFORMATION

- **Software Version Number:** 1.7.3.25
- **DTS Release Date:** This software update will be deployed across DTS sites between December 5-12, 2014. To determine if you or a user in your organization is working in the version in which the release was implemented, refer to the blue banner in the upper left-hand corner of the initial DTS screen. If the banner has "Defense Travel System 1.7.3.25," the release was implemented for that user. *Please note that each time you access DTS between December 5-12, you could be directed to either the software version with the release implemented or the version without the release implemented.*
- **EWTS Release Date:** December 4, 2014, after 2300
- **Expected EWTS Downtime:** 6 hours starting at 2300 EST on December 4, 2014
- **Expected DTS Downtime:** 6 hours starting at 2300 EST on December 5, 2014
- **TAC Outreach Call:** November 25, 2014 and December 2, 2014. For a copy of the slides presented on November 25 or for instruction on how to participate in the December 2nd call, see the TAC Outreach call announcement in the TraX Announcement section.

II. SUMMARY OF FUNCTIONALITY (As of November 13, 2014)

- This release will deploy the following Reports into Business Intelligence (BI) Reporting Tool/ Cognos:
 - POSACK Delinquency Report
 - CTO Fee Report
- With this release, COGNOS Connection will be renamed "DTS BI and Reporting Tool"

Additionally, this release will resolve multiple System Problem Reports (SPRs) (See Section III) and Technical System Change Requests (SCRs) (See Section IV).
